

TECHNOLOGY-ENHANCED LESSON IMPLEMENTATION SHEET

Type text directly into this PDF document and save in Adobe Reader.
Don't forget to SAVE. File > Save As...

Learning objective(s) of lesson

Curriculum content (briefly describe content covered in the lesson)

Technology standards covered by lesson (List the ISTE standards you targeted)

How did the technology-enhanced lesson differ from a traditional lesson in terms of your own teaching?

How did your students experience the technology-enhanced lesson and how did their learning differ from a traditional lesson?

What would you do differently the next time you implement this lesson?
